I would like to become a Patron of the American Society of International Law. By completing and signing this Acceptance Form, I join my colleagues who share a special commitment to international law education.

Name

- Please include my name in the Patrons listing as follows:

_____ *(Please print or type; exclude professional or honorific titles, prefixes, or suffixes.)*

- Please include me anonymously.

Payment Schedule

I would like to fulfill my commitment in one two three four years.

Donation Terms

(Patrons are not required to pay ASIL membership dues. Some Patrons, however, have expressed the desire to continue doing so. Please indicate your preference here.)

I do / do not wish to continue paying ASIL membership dues. Please note this so that: a) future ASIL invoices reflect my preference, and b) acknowledgments of Patrons payments reflect proper tax treatment.*

* Patrons who no longer pay dues receive the material benefit of the value of their lifetime membership; part of their gift, therefore, is not tax deductible as a charitable donation, although it may remain deductible as a business expense. The ASIL has calculated the net present value of future membership benefits for Patrons as \$1024. Patrons who are U.S. citizens and continue to pay dues may deduct 100% of their gift.

Signature

I agree to the conditions indicated in this Acceptance Form and request that I be considered an ASIL Patron as of the date below.
