**ASIL Sponsorship:
Your Firm's High-Visibility Opportunity to Reach the International Law Community**

Today, international law is every firm's business. It affects more of your clients. It touches more practice areas. The American Society of International Law's Sponsorship Program offers you a multitude of ways to promote you, your products, and your services to its worldwide community of international law professionals.

AT ASIL MEETINGS: Law Firm Sponsors receive recognition at ASIL's Midyear Meeting and the 106th Annual Meeting, March 28-31, 2012, in Washington, DC. Every spring the annual meeting draws over 1,400 leaders in international law from more than 75 countries.

ON ASIL'S WEBSITE: The ASIL website, which receives over 900,000 visitors annually, offers opportunities to profile your firm and its international law expertise.

ASIL 2011 LAW FIRM SPONSORS: ASIL wishes to thank its 2011 Law Firm Sponsors. We hope you will consider becoming a partner in 2012. To register, please visit www.asil.org/lawfirmsponsor.
